**COSMOPROF AND
COSMOPACK AWARDS: THE
FINALISTS OF THE 2024
EDITION HAVE BEEN
ANNOUNCED**

February 29th, 2024 – Finalists of **Cosmoprof & Cosmopack Awards 2024**, the "Oscars of Beauty" in collaboration with the international agency BEAUTYSTREAMS, have been announced today. The contest, celebrating this year its 6th edition, celebrates the excellence in the cosmetics industry among exhibitors at Cosmoprof Worldwide Bologna.

The categories for 2024 have been increased to better cover the diverse range of products offered at Cosmoprof Worldwide Bologna.

Over 700 submissions have been recorded, and for the first time the proposals presented by exhibitors of Cosmoprof Worldwide Bologna have been evaluated by a technical jury to assess their value in terms of innovation, circularity, and market appeal.

The 51 finalists will be featured in a dedicated installation at the Service Centre during the event. Together with the technical jury, a multidisciplinary jury will choose winners. They can express their preferences online, from March 6th to 15th, and on-site, with a voting session on Wednesday, March 20th.

Winners will be the expression of experience and know-how of **more than 30 key experts** of the beauty industry from all over the world.

Finalists of the 2024 edition are the following:
